KEY FEATURES

Patented Levelift™

Patented flexible seat design lifts users safely up and out of the chair on a level plane (no forward dumping).

Classic Wing Chair Styling

Only the seat lifts. The Risedale looks like a classic, open-legged wing chair – not a lift chair. How discreet!

Attractive Brocade Fabric

The easy-care fabric is 100% polyester, and comes in four attractive colors.

Height Adjustable Legs

Custom height-adjustable legs are equipped with a removable, 1.5 inch (4 cm) extension.

Easy-to-Use Power Levers

Simply push forward to rise, pull back to lower. The Risedale comes with two power levers that can be used on either the left or right side.
